**United Friends School
Mission Statement**

The hand, the heart, the eye
The tools for each to learn and teach

The mission of United Friends School is to make each day an inspiring learning experience, guided by the Quaker testimonies of simplicity, peace, integrity, community, equality and service.

Philosophy

The Quaker focus on the spirit of God in each person is the foundation upon which we build a school community.

Membership in the community of students, staff, parents, grandparents, and trustees provides a special opportunity for all to learn, to teach, to serve and to accept others.

The educational goal of UFS is to assist students in finding their inner strength as part of a community of learners. The school maintains its high educational standards by providing for strong teacher-student relationships in an environment of spiritual growth and educational discovery. Values are instilled by working in a cooperative environment where the needs of individual students are met through open-ended, student-centered, exploratory activities.

Peer teaching and mixed age groupings are valued practices and integrated throughout a developmentally appropriate curriculum to allow students to make connections in their learning experiences.

Dear Friend,

Please join us in support of United Friends School's Golf Outing on Thursday, October 14, 2010 at Silver Creek Country Club in Hellertown, PA.

UFS is a pre-school through eighth grade independent school located in the heart of Quakertown, PA.

This amazing school recently celebrated 25 years of educating children based on the Quaker philosophies that respects the individual and fosters a love of learning.

Help us prepare UFS for the next 25 years by committing now to a foursome and sponsorship. Proceeds go to support the UFS scholarship fund.

Thank you in advance for your consideration.
